27 ¹ Plaintiff's motion seeks to hold "NDOC" in contempt. In his Reply memorandum (Doc. # 113),
28 Plaintiff seeks to impose "sanctions" against the "Ely Prison Librarian" (*id.* at 1) and the Law Library Supervisor (*id.* at 4), neither of whom is identified by name. Although this court periodically directs copywork extensions which presumably must be handled by NDOC, NDOC is not a party to this action. Neither are the unidentified law librarian or law library supervisor. Therefore, a "sanctions" motion against a non party is not appropriate.
